Brad will contact property owner to see about the possibility of placing it on the field rather than behind the adjacent business. New shed funding was approved for up to \$1,200.

Starting stands will be repaired as part of normal maintenance, hopeful while we have assets working on shed.

Webmaster asked for suggests on changes to web site, highlighting the Field Direction link was suggested. Also the Google map on direction page has been fixed.

It was suggested that we consider a hat order. Dwight will send an email to active members to determine commitments. The is a setup fee, so the more hats ordered the lower the price.
