FOUNDED 1939

PRESIDENTS PODIUM

Well I've survived two years as club president. I'd like to thank all those that have made the past two years an enjoyable experience. While I've been happy with our ability to keep both fields operating, I've been somewhat stymied in my efforts to increase participation. There are several regulars at the field, but with a membership of 60 people, I'm surprised I don't see many members more often.

If you're on of the ones that's not finding time to participate, I'd really like to hear from you. My experience has been that people will participate in those activities that are truly interesting and important to them. I don't expect the club to be you're top priority. But I would like to know what activities you'd like to see the club sponsoring. The key to an active and healthy club is broad membership participation. Let us know what you want us to do!

Regarding field status, although I don't think we're in immediate danger of losing Warner Field or Tom's Creek, we'd be foolish not to continue looking for other fields to develop. While there are no specific prospects, we'd all be best served to keep our eyes and ears open. There have been a couple possible prospects offered in the past few weeks, and we're looking into them. If anything develops, we'll keep you informed.

Don't forget club elections October 15 at the Church of the Transfiguration in Braddock Heights. If you only come to one meeting a year, the October meeting is probably the most important. We must have a quorum in order to hold elections, and the elections are crucial to maintain our charter with the AMA, as well as fulfill our corporation requirements. We'll also be talking about some of our new field prospects, as well as determining whether or not to hold a winter banquet again this year.

I look forward to seeing everyone either at the field or at the meeting.

Brad Davy
President, Frederick Model Aircraft Club

NOTICE

FMAC has been officially recertified as IMAA Chapter 448.

"Bigger is Better".

September 17, 2007

13 members present for this meeting which was brought to order by President Brad Davey at 7.50 PM.

A motion was made to add the following new members to the club.

William Angus, Lee Kramer, Rusty Robey, Chris Segheti, Micheal Sewell, Robert Stojanovic, and Samuel Thorp Jr. Motion Approved.

On Friday Oct 5 2007 Adam will hold an auction of all his Model Supplies, and again on November 10, 2007.

Brad has received information on Two flying sites that wqill be available to the club at no cost.He will go to the sites and look them over on Sunday. Anybody interested are invited to join him.

Treasurers report was given and approved.

The club had a work day at Toms Creek field and repaired three tables and took one table apart which was too far gone to save.

On Nov 3 2007 we will have a Chile fly at Toms Creek field. Who will bring what will be decided at the Next meeting.

Plans are in the works for FMAC and the Pegagus Clubs to have a IMAC for next year.

Nominations for next year are as follows.

President Brad Davey
Vice President Ron Grimm
Treasurer Luke Pallansch
Recording Secretary Jim

Nominations will be open till Oct 15,2007 Membership Meeting.

Don't forget swap at 7:30 and meeting at 8:00.
